

Day 5

Check in/attendance

Stretch out with partner or by self

Choose equipment-bow, quiver, and arrows, arm guard finger tab

Students who are early can shoot warm up rounds-assign one student as range director

1. Assign partners to targets - introduce themselves-check arrows marked/ different from partner
2. Warm up 2 rounds to check equipment
3. Review adjusting sight-shoot two arrows with sight in gold; adjust sight toward where arrows land on target
4. Score 6 ends on card and tally for the day-students sign the card.
5. A good score usually averages 35 points per round
