

Day 8

Check in/attendance

Stretch out with partner or by self

Choose equipment-bow, quiver, and arrows, arm guard finger tab

1. Review singles tournament bracket
2. Pick number for target
3. Warm up shooting 3 rounds to adjust equipment
4. Assign partners and targets for tournament
5. Archers score each round and then move one target left if they win or stay at their target if they lose
6. Objective is to get to the "championship target" no. 1 on far left.
7. Collect scores and reassign partners
8. Preview next class: Team Tournament (or shooting outside in warm weather)
