**Homework #24-26**

**Here are the final assignments and due dates. Note that some of these are different from the syllabus.**

**Homework #24*****Due in class Th 12/4***

**Essay 4** is due next class. (See Homework #23 for the assignment.) We'll workshop it in groups of 3.

Make this draft as good as you can; you won't have much time to revise it, and I will be especially interested to see how you do shaping and revising an essay without my input.

***\* Keep in mind that you need 20 pages of revised writing to pass this class. If you are short on essays 1-3, make sure that this essay is 3 pages. Do not go over 3 pages—instead, add to the earlier essays as needed.***
