

## Formal Paper 4: Proposal

Write an 8-10 page proposal for research funding, for permission to take action, or advocating for a change. Below are some ideas for the kinds of proposals you can write:

1. A proposal for a research study
2. A proposal for a business idea or plan
3. A proposal for a new technology (design proposal)
4. A proposal for a change in policy at the department/national/international level

### Sections:

- **Abstract**
- **Background**
- **Problem Statement**
- **Literature Review** → This section cannot be simply cut-and-pasted. The Literature Review will need to be integrated smoothly into your Proposal
- **Objectives**
- **Methods/Approach** → This section can be broken down into subsections depending on your topic.
- **(Time Schedule)**
- **(Budget)**
- **(Personnel)**
- **References**
