

Globalization from Below

B-Boy Park, Tokyo, August 2001

Lecture 4

September 30, 2003

Cultural Politics and Global Power

- Globalization from below
 - Jean Grae, "Block Party"
from *Attack of the Attacking Things*
 - "We need to globalize..."
(see handout)

First problems

- What is the character of cultural contact?
- What is the pre-history of globalization?
- How can we begin to unravel the relationship between culture and power?
