Problem Set 10: The Denial of Golan's Network Problem Set

Description:

Create an online portfolio of your work in this course. You will use this for the exhibition.

Part 1: Take a Self Portrait

Use your favorite method of deconstruction to portray yourself in a discernable manner.

Part 2: Create a Simple Portfolio

In your directory (people), for example, "people/golan" make a directory "people/golan/exhibition" that has your exhibit clearly organized.

Part 3: And Finally

All examples should be *complete*. Try to get them to work in a browser instead of appletviewer.
