

22.38 PROBABILITY AND ITS APPLICATIONS TO RELIABILITY, QUALITY CONTROL AND RISK ASSESSMENT

Fall 2004

PROBLEM SET #10

Due Dec. 9, 2004

We shall provide a solution for the following problems, and if you submit solutions we will provide graded feedback. However, the grades will not contribute to your grade for subject 22.38; rather it is intended only to provide you with feedback.

- Ang and Tang: Problems 8.7, 8.8, 8.15.
