

15.598, Assignment 6

1. Read:

Ross, Feeny: "The Evolving Role of the CIO", CISR, WP No. 308, August 1999

2. Browse the part of the CIO magazine website which is the questions and answers from IT practitioners to an expert. Some of the questions reveal interests and concerns about making it as a general manager from a technical base, and reflect on career thinking and on career strategies: <http://www.cio.com/research/executive/counselor.html>
