

Assignment guidelines for the individual memos on Unit III will be below. They must be handed in on the beginning of lecture #14.

1. What are the similarities and differences between the controversy over the first South End plan and the MCMA airport project? Be sure to answer this question in terms of the role and power of planners, the extent and impact of citizen involvement, and the institutional context. Also, can you say something about the extent to which knowledge gained from the study of one of these cases is transferable to the other?
